

Dear brothers and sisters in Christ,

I'll be part of an 8-person team to visit Cuban churches to strengthen their work and to find opportunities for future partnership! There has been a great spiritual awakening in Cuba and Cuban Christians are living fervently to spread the gospel. Let's help them!

Help me fill this suitcase so I can leave it behind to bless Cubans!

Thanks to everyone who brought in their goods, here's an updated list of items needed!!

Things to bring to Cuba when serving "On Mission"

The average income of a Cuban is \$25US per month. Many pastors and missionaries receive even less. In Canada we take for granted many things that are almost impossible to find or afford in Cuba. Some things that we can take into Cuba that can bless pastors, church planters, and churches there.
